Community Care Program

"... Helping older people live independently"

Did you know that ECCOA Senior Services is contracted with the Illinois Dept on Aging to provide the Community Care Program for 9 counties within the State of Illinois? The counties we serve are: Effingham, Clay, Fayette, Jefferson, Marion, Jasper, Crawford, Richland, and Lawrence. All of our offices are your direct linkage to all the information you need regarding community based services that can give you many added benefits that enhance your quality of life. As you prepare to retire or if you become disabled, the staff members in our offices will assist you with the services that will allow you to remain in your own home, and keep you out of a nursing home, as long as nursing home placement is not necessary for you. We will send out staff to your home at no cost to discuss your needs and goals, and to help you choose what services might be right for you. Services include In-Home Service, Adult Day Services, Emergency Home Response Service, Home Delivered Meals, Respite Care for the Caregiver, and in some areas of the state, Senior Companion. If you qualify for services, the staff member will work with you to determine your needs, set up services that are appropriate for you and keep in touch with you to make sure the services continue to meet your needs. For additional information or to make a referral for someone you feel could benefit from the program call 217-347-5569. Call Today.... We can assess your needs and keep you at home.

As a precaution to the Coronavirus, Dine With A Doc programs in Effingham & all surrounding areas will be cancelled thru the remainder of the 2020 calendar year in the best interest of protecting our seniors. Thank you for understanding.
Please feel free to pass this information along.

Emergency Home Response Service: (EHRS)

EHRS is a Community Care Program core service provided to improve the independence and safety of clients in their own homes and help reduce the need for nursing home care.

Emergency Home Response Service (EHRS) is a 24-hour emergency communication link to assistance outside the home for older adults with documented health and safety needs and mobility limitations. This service is provided by a two-way voice communication system consisting of a base unit and an activation device worn by the participant that will automatically link the older adult to a professionally trained staffed support center. For more information on Emergency Home Response Services in your community, contact Senior Services at 217-347-5569.

EHRS offers 24-hours-a-day help at the touch of a button, installation at no cost to the client, free adaptive activation devices, and a list of first responders chosen by the client. To receive this service, an older adult must qualify for the Community Care Program. This service is now available for cell phones too.
